Type II/IIR, complying with EN14683:2019+AC

 MADE IN EUROPE

THRACE GROUP:

A LEADER IN MEDICAL & HYGIENE TECHNICAL FABRICS SINCE 1990

With **over 30 years of experience** in the production of medical & hygiene PPE technical fabrics, Thrace Group is on the Covid-19 frontline.

Responding to the demands of the pandemic, the Group **intensified surgical face mask production** in three of its European manufacturing plants (Greece, Scotland, Ireland), to reach **an exceeding 50 million mask capacity per month**.

TOTAL CONTROL OVER QUALITY, COSTS & DELIVERY TIMES

As a **vertically integrated producer**, Thrace Group manufactures **every single component of the surgical masks**. From the nonwovens and meltblown fabrics to the ear loops & nose wire, the entirety of our masks is own-produced in our European manufacturing plants.

Therefore, **we can offer competitive prices and European delivery times**.

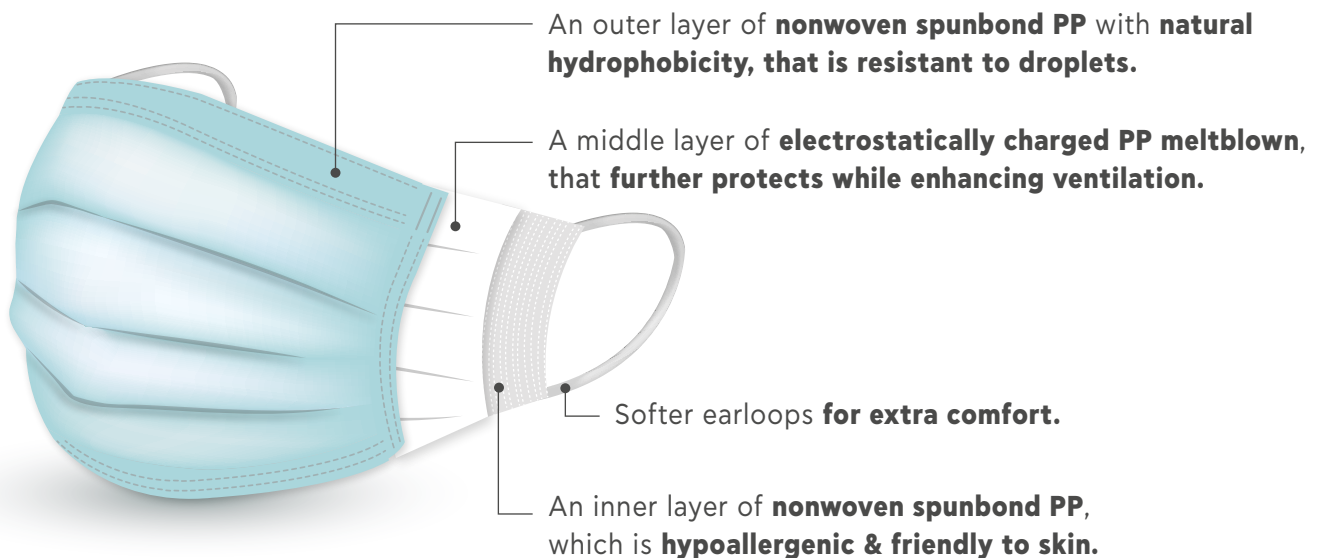

THRACE GROUP MASKS: **CERTIFIED QUALITY YOU CAN TRUST**

Our testing and certification services **verify our products' effectiveness & compliance** with **international regulations**.
